January 21, 2017

Michael Meltzer, the 2016 Invest in Others Global Community Impact Award winner, turned a friend's simple idea — assembling care packages for orphans — into Maya's Hope, a 501(c)(3) transforming children's lives across Ukraine and the Philippines. As Chairman and Treasurer, he's since helped fund university educations, facilitate adoptions, and save young lives — one child at a time.
