Tocqueville Welcomes The Winchester Group

Tocqueville Asset Management is proud to announce the addition of Portfolio Managers Irv Cherashore, Rudy Mueller, Tony Balestrieri and Matthew Cherashore. Formerly associated with The Winchester Group, their Team also includes Clare Nolan and Kathryn Morlet. Messrs. Cherashore and Mueller and their Team are long time colleagues of many Tocqueville portfolio managers. Consistent with Tocqueville's contrarian ideology, they are primarily involved in the high net worth area with an emphasis on research, client service and value-oriented investing. They will no doubt be an excellent fit and we welcome them to the Tocqueville family.
